Summary of Experience

Greg has a variety of experience providing accounting, assurance, business advisory, consulting and tax services in Atlantic Canada. He has experience in a variety of industries including: for-profit and not-for-profit organizations, government and government related entities, technology, education, and construction type companies.

Greg is also a practice inspector for the Institute of Chartered Accountants of Nova Scotia whereby he inspects other accounting firms to ensure they adhere to our Institute's quality assurance standards. He has been engaged by the Institute to provide these services due to his varied experience in professional accounting and auditing standards.

Greg has testified as an expert witness before the Nova Scotia Utility and Review Board in relation to the Town of Springhill and Town of Hantsport dissolution applications.

Greg's other past and current experiences include:

- Assurance services to Municipal clients
- Assurance services to Public Sector Accounting clients
- Assurance services to clients under the International Financial Reporting Standards
- Assurance, consulting and tax services to Private enterprises

- Consulting engagements for clients on a variety of areas including:
 - preparation and reporting on financial projections
 - preparation and reporting on tax projections
 - representing clients in Canada Revenue Agency audits
 - purchase of sale of businesses
 - audits of claims of costs for various government grants
 - support for financial calculations for insurance claims
 - preparation of business plans
 - raising of financing for clients
